The Equipment will be used by an Equipment Lessee incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), only upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), or over lines upon which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting with other carriers in the usual interchange of traffic in the continental United States and Canada, only upon and subject to all the terms and conditions of the Equipment Leases.

4. SPECIAL PROVISIONS CONCERNING LEASES

4.02 Equipment Lease Location and Legend. Borrower shall keep the original Equipment Leases at its chief executive offices and shall mark all Equipment Leases with the following language:

"The rights and interests of ACF Industries, Incorporated under this Lease and all amendments, and riders hereto relating to certain railcars listed herein, and in such railcars, have been assigned to one or more financial institutions or banks listed on the

page or pages at the end of this Lease and are subject to a first priority perfected security interest in favor of such financial institutions or banks. To the extent that this Lease constitutes chattel paper, no security interest in this Lease may be created or perfected through the transfer or possession of this counterpart."

The Agent shall have the right from time to time to require Borrower to place notations of the Agent's interests in the Collateral on the page or pages at the end of the Equipment Leases describing the Equipment in which the Agent has interests hereunder. The Agent and each Lender shall have the right from time to time to periodically audit the lease records of Borrower as to the status of the Equipment and Equipment Leases.

4.03 Permitted Substitution and Replacement Leases.

Upon the occurrence of any Permitted Substitution or the execution and delivery of any Replacement Lease, Borrower shall execute and deliver to the Agent a supplement to this Security Agreement and take all such other actions as are required pursuant to Section 3.02(a) hereof such that the substituted Equipment and Replacement Leases shall be subject to the Lien of this Security Agreement.

5. COLLATERAL

5.01 Possession of Collateral. So long as no Event of Default has occurred and is continuing, Borrower and each Equipment Lessee party to an Equipment Lease shall be suffered and permitted to remain in full possession, enjoyment and control of the Collateral, including without limitation the Equipment Lease itself, and to manage, operate and use the Collateral and each part thereof with the rights and franchises pertaining to the Collateral; provided always that the possession, enjoyment, control and use of Equipment shall at all times be subject to the observance and performance of this Security Agreement.

5.02 Cash Collateral Account. (a) In the event that any Item of Equipment shall suffer a Prepayment or Substitution Event, the Borrower may deposit into the "Cash Collateral Account" an amount equal to \$17,000 for each such Item of Equipment suffering a Prepayment or Substitution Event. The "Cash Collateral Account" shall be a special cash collateral account maintained at a bank designated by the Agent and reasonably acceptable to Borrower, provided such bank agrees to hold amounts on deposit therein on behalf of the Agent, under the sole control and dominion of the Agent, for so long as, but only so long as, the Security Agreement shall be in full force and effect.

(b) All amounts from time to time on deposit in the Cash Collateral Account shall, so long as no Event of Default shall have occurred or be continuing, be invested by the Agent in certificates of deposit with maturities of 30 days or less issued by an office located in the United States of any bank or trust company which is organized under the laws of the United States or any state thereof and has capital, surplus and undivided profits aggregating at least \$500,000,000. Except as otherwise provided in paragraph (c) of this Section 5.02, amounts on deposit in the Cash Collateral Account shall not be released to Borrower except that, so long as no Default or Event of Default has occurred and is continuing, Borrower shall be permitted to use such monies to acquire Eligible Railcars as part of Permitted Substitutions under the Loan Agreement. The Borrower shall bear all expenses associated with the Cash Collateral Account.

(c) In the event that Items of Equipment have been the subject of a Prepayment or Substitution Event and Borrower in consequence thereof has deposited amounts in the Cash Collateral Account in respect thereof pursuant to subsection (a) of this Section 5.02, and Borrower makes a Permitted Substitution with respect to such Items of Equipment or enters into a Replacement Lease covering such Items of Equipment, then so long as no Default or Event of Default is outstanding, Borrower shall be entitled to a release of amounts in the Cash Collateral Account attributable to such Items of Equipment and any earnings thereon.

(d) Upon the occurrence and during the continuance of any Event of Default, all amounts standing to the credit of the Cash Collateral Account shall be paid to the Agent and applied by the Agent, as specified in Section 6.03.

6. SECURED PARTY'S RIGHTS

6.01 Secured Party's Rights. Borrower agrees that when any Event of Default has occurred and is continuing, the Agent shall have the rights, options, duties and remedies of a secured party under the ICA and under the Code, as applicable, and the Agent shall have the following rights and remedies:

(a) The Agent shall have all the rights of a secured party under the ICA and under the Code to enforce the security interests contained herein.

(b) The Agent personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of Borrower, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and

store the Collateral, or use and operate or lease the Collateral until sold, and Borrower shall deliver, or cause to be delivered, possession of the Equipment to the Agent or its agents where the same may be found or at such place or places as the Agent may reasonably require. Notwithstanding anything hereunder to the contrary, so long as no Event of Default has occurred and is continuing unremedied, the original Equipment Leases shall remain at the chief executive offices of Borrower; provided, however, that in the event an Event of Default has occurred and is continuing, Borrower shall provide to the Agent the original Equipment Leases or, in case originals are not available because one or more lenders have an interest in leases reflected in the same document as such Equipment Leases, duplicate copies of the Equipment Leases and the original equipment schedules to master Equipment Leases and, in all cases, all relevant information that the Agent may request regarding all other leases and all other lenders, and if requested by all lenders with a security interest in any Equipment Lease, deliver such Equipment Leases to a trustee designated by the Agent and all such other lenders.

(c) Any Collateral repossessed by the Agent under or pursuant to this Section 6.01 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Agent or after any overhaul or repair which the Agent shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon no less than 10 days' written notice to Borrower specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor. Any such disposition which shall be a public sale permitted by such requirements shall be made upon no less than 10 days' written notice to Borrower specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Agent or any Lender may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Borrower (except to the extent of surplus money received as provided in Section 6.03). In the payment of the purchase price therefor, the Agent shall be entitled to have credit on account of the purchase price thereof for amounts owing to the Agent on account of the Liabilities and the Agent may deliver such claims in the amount of the Liabilities in lieu of cash up to the amount which would, upon

distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Agent shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Borrower as hereinabove specified, the Agent need give Borrower only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(d) The Agent may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

6.02 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of Borrower in and to the property sold and shall be a perpetual bar, both at law and in equity, against Borrower, its successors and assigns, and against any and all Persons claiming the property sold, or any part thereof under, by or through Borrower, its successors or assigns.

6.03 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of all costs and expenses including those of foreclosure or suit, if any, and of such sale, and of all proper expenses, liability and advances, including legal expenses and reasonable attorneys' fees, incurred or made hereunder, under the Notes, or under the Loan Agreement or the other Loan Documents, by the Agent or the Lenders;

(b) Second, to the payment of the Obligations and all other Liabilities in accordance with the provisions of the Loan Documents; and

(c) Third, to the payment of the surplus, if any, to Borrower, its successors and assigns, or to whosoever may be lawfully entitled to receive the same.

6.04 Cumulative Remedies. No delay or omission of the Agent to exercise any right or power arising from any default on the part of Borrower, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such

default. No waiver by the Agent of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Agent may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Agent be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

7. MISCELLANEOUS

7.01 Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of Borrower or by or on behalf of the Agent or the Lenders, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

7.02 Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

7.03 Notices. All notices and communications provided for herein shall be given to such parties, at such addresses and in such manner as is provided in the Loan Agreement.

7.04 Termination. This Security Agreement and the security interest granted hereby shall terminate when the Liabilities have been indefeasibly paid or discharged in full in cash, at which time the Agent shall, at Borrower's expense, execute and deliver to Borrower all Uniform Commercial Code termination statements and such similar documents or proper instrument or instruments which the Borrower shall reasonably request to evidence such termination and the release of Collateral including releases in recordable form under the ICA and the Railway Act (Canada).

7.06 Counterparts. This Security Agreement may be executed, acknowledged and delivered in any number of counterparts, each of such counterparts constituting an original but all together constituting only one Security Agreement.
